

OVERHAUL

OVERHAUL are a Rock, Grunge, Alternative Rock band formed in Scotland by American Singer/Songwriter/Musician Andy Gallagher.

OVERHAUL was formed in 1997 and they tapped their musical influences from both U.S. coasts and Scotland to construct their own unique wall of sound built from pounding drums, catchy guitar hooks, and fist-raising vocal.

Rocking the music scene for over 25 years, extensive touring has brought OVERHAUL to festivals throughout UK and Europe.

They have a number of album releases under their belt and have had guest appearances from Gordon Gano (Violent Femmes), Victor DeLorenzo (Violent Femmes), Mike Watt (Minutemen/Iggy Pop & The Stooges/Porno For Pyros), and Astrid Young (Neil Young's sister).

Their new album features special guest performances from Dan Murphy (Soul Asylum/Golden Smog), Jeff Worley (Jackyl/Worley The Pirate) and Trace Foster (Close Enemies/Guitar tech for Rolling Stones/Aerosmith/AC/DC/Cheap Trick/Geezer Butler)

OVERHAUL have opened for:

Violent Femmes
Dinosaur Jr
Bob Mould (Hüsker Dü/Sugar)
Langhorne Slim
Grant Hart (Hüsker Dü)
Ken Stringfellow (R.E.M/The Posies)

New Single "Whoop It Up"
out 31st Jan 2025.

Features Jeff Worley (Jackyl) on lead guitar.
